

## 2021-2022 Budget Program

The Budget Program allows you to make monthly payments based on your estimated propane usage. The Budget Program price for the 2021-2022 heating season is \$1.839. If you own your tank, you will receive a \$0.10 per gallon discount. This program is for delivered propane only. Cylinders parts and service charges must be paid for separately at the time of service. There is a \$35 non-refundable fee to sign up for the Budget Program.

1. Your monthly budget payment is determined based on your estimated usage and divided into 12 monthly payments.
2. You must make all 12 payments starting in September and ending in August, at the amount given, unless other arrangements are made with the office.
3. If the current cash price is less than \$1.839, you will receive the lower price.
4. **Failure to make your payment each month will result in your account being taken off the Budget Program.** The balance on the account will then become due in full. Future deliveries will be at the current cash price and any applicable finance charges will be billed.
5. Current Budget Program customers must sign up and pay the \$35 non-refundable fee to re-enroll in the Budget Program for the 2021-2022 heating season. **Previous Budget Program customers are not automatically re-enrolled in the Budget Program** and will be removed from the program if a sign-up form, and \$35 non-refundable fee are not received.
6. In August, any remaining balance not covered by your budget payments will become due in full. If there is a credit on the account or a \$0.00 balance a payment will not be due in August.
7. If you choose, automatic monthly credit card payments are available for your convenience. To take advantage of this option, please complete the enclosed credit card authorization form. Select the monthly option, indicate a date of your choosing, and indicate your monthly budget payment amount that should be charged.
8. **Customers that are currently utilizing automatic monthly payments for their budget payments will have their monthly amount changed to their new budget amount automatically and do not need to complete a new credit card authorization form. If you wish for your automatic payments to stop, please contact the office.**
9. **Cash on Delivery (C.O.D.) and customers that are renting or purchasing their homes on land contract, are not eligible to be on the Budget Program.**

## **2021-2022 Budget Program**

To sign up for the 2021-2022 Budget Program, complete this form, sign, and send it in with your \$35 non-refundable fee.

**Your account must be current with no past due balance in order to be placed on this program.**
